It's exterior drama.

There's a difference between

covering and coveting, between just

adding on and truly standing out.

It's time to put curb appeal front and

center with an exterior-transforming,

contemporary accent.

DISTINGUISH WITH HIGH DESIGN AND LOW MAINTENANCE.

Cedar Renditions™ by Royal® is siding at its adaptable and durable best. Compelling contemporary aesthetics are displayed with equal power as a complementary accent or an exterior feature. Real wood looks take your home to the next level, expressing curb appeal in several colours.

Top Features:

- Look of real woodgrain
- Virtually maintenance free
- Moisture proof
- Easy to install
- Non-flammable
- LEED compliant and 100% recyclable
- 25-year prorated limited warranty
